Dear Parents and Carers

### **GoRead – Electronic Reading Records**

At St Thomas More, we place an extremely high value on the importance of reading. Our mission is to instill a love of reading and story-telling in our pupils. We continue to invest in our class and school libraries and have a wonderful range of books for the children to enjoy.

As a staff, we have considered more efficient ways to keep track of your child's reading. We believe that 'GoRead' offers an online reading record that is easily accessible for parents; pupils and staff and will record in one place, your child's reading journey throughout their time at St Thomas More. This will remove the frustration of lugging a flimsy piece of printed paper around for the year and then, of course, for it to be eaten by the dog!

I enclose a simple parent guide for getting started, along with a personal activation letter for your child and their own login guide. We will start using electronic reading records immediately upon our return to school after the half-term break so please activate your account at any time in advance of that.

The parent guide includes links to online and video help and support should you need it. And of course, we are always here to help you too.

Thank you in advance of your anticipated support
