

Trust Advent Homework

For younger children, you may need to share the adult input – use this as a chance to talk about the content.

Children should choose one or more of the tasks, appropriate to their age and interest.

ADULT INPUT:

Advent is a time when we appreciate the love in our lives and prepare to celebrate love becoming a reality in the person of Jesus. At Christmas we celebrate the gift of Jesus, given by God as a sign and expression of God's love. Giving and receiving reflects the truth that all life is given by God and life is given meaning through the gift of Jesus.
